

Fortis Institute, Erie, PA

Dear Current or Prospective Student,

To follow is the 2011 annual report placement rate data for the school.

This information is compiled based on the requirements of our accrediting body. Information is maintained, tracked and updated in our student data base system.

The methodology and time frame applicable to these rates is as follows:

Accrediting Body: ACICS

The reporting period is July 1 through June 30. Placement statistics are required to be calculated per program and by the average of all programs. The placement benchmark is 47% and it applies to the institutional average and each individual program. The institutional average rate is 76.2%.

Placement rates are calculated by total graduates divided by employed graduates for the reporting period.

Placements are determined by a graduate working in their field or a related field. Placement information is verified with the employer.
